

Community Service with Flair

Let us entertain you,
Let us make you smile...

...and while we're at it, let us raise awareness and needed funds for the direct services organizations that our community relies on. Organizations like The Ali Forney Center, The Trevor Project, Broadway Cares/Equity Fights AIDS, God's Love We Deliver, PFLAG, New Alternatives and so many others — both local and national in scope.

That is the essence of the Imperial Court System and its 70 chapters across the U.S., Canada and Mexico... we dress up for a good cause and while we're at it, we put the "FUN in Fundraising."

The Imperial Court of New York is an important jewel in the crown of the Court System. Our over 180 members come from all walks of life, contributing their various talents and expertise to each event we stage.

Some of those events are free performances for shut-ins at AIDS hospices; some are shows mounted to benefit local grass-roots, direct-service organizations. And annually, we throw one of the most lavish parties in New York — *Night of a Thousand Gowns*, a royal coronation ball that benefits different organizations each year. This gala, attended by about one thousand guests, is organized and executed entirely by our volunteer members.

But, while the staff is entirely volunteer, we can't do it alone. We need the help of corporate and individual sponsors to compound the effect of our efforts. Enclosed are materials explaining our annual corporate giving program and the opportunities associated with *Night of a Thousand Gowns*.

Won't you consider being a part of our royal family?
